

Community **Childcare** Initiative

Do you serve families receiving an ERDC subsidy?

Are families finding it challenging to meet their co-pay?

The Community Childcare Initiative may be able to assist.

- **Help families realize they can afford your programs**
- **Learn how to collect your full rate**

The **CCI** Advantage

Actual example of a family enrolled in a Certified Family program:

Reimbursement Rates to be Calculated Based On:	USD (\$)
Monthly Income of family being served	\$2322
Amount child care provider charges family monthly	\$3,450
Amount provider receives from ERDC for this family monthly	\$2,533
Family's monthly responsibility to provider (10% of their income)	\$232
MHCC monthly financial responsibility to provider	\$685

This family *saved \$685.00* and the provider *collected their full rate* for the 3 children in care!

What parents are saying about the Community Childcare Initiative...

"Thank you so much! This is going to help me to be able to pay my other bills."

"My rent just went up, getting this help, you just don't know how much it will help."

"I'm working and going to school and I appreciate it so much. It will really help me be able to keep my child in a program I like and complete my schooling. Every little bit helps. This makes a huge difference."

"This may seem like a small amount to you, but for me this is a whole tank of gas!"

What programs are saying about the Community Childcare Initiative...

"This is going to help the family so much, they are really struggling to pay their co-pay. I've been trying to work with them, but I can't afford to keep forgiving the co-pay." CC

"A parent was able to get her children new winter jackets because her co-pay went down and she doesn't have to pay the overage rate." CF

"A family in my program just got a 10 cent an hour raise and her co-pay increased by over \$100. CCI will really help her out."
